The Membership Joining Process and What to Expect

Once we receive your application it will be tabled at the next Committee Meeting for review & approval which may take up to 4 weeks – this is a standard process but a requirement for all Incorporated Associations like our Club.

Once approved you will be added to the distribution list for Olds News our bi-monthly newsletter which is generally sent to members via Email. You will then receive in the regular post a welcome pack acknowledging your membership and will include a copy of the last Membership Directory.

If at any time you have any questions please feel free to email the Secretary at the club email address admin@oldsmobileclub.org.au We don't publicise phone numbers on our website so that Committee Members aren't caught up with unnecessary SPAM callers, but if you need to discuss your membership application then we are happy to call you and discuss any questions if you email us and provide a contact phone number, your state and preferred calling times.

We look forward to you receiving your membership application and hope you will join in at some of the regional events where you will be warmly welcomed.
